Bibliography of Texts Available at the
LDS Library, Salt Lake City, UT

This file contains the Kendall documents abstracted in the LDS Library card catalog. It should be noted that this bibliography contains only those documents for Kendall and not variant spellings such as Kindell, Candale, etc.

The card catalog is updated frequently so if a document that you are searching for is not listed here, consult the most recent card catalog at your local Family History Center (FHC).

The texts listed in the LDS card catalog are for professional and amateur printed genealogies that have been archived in one of three ways—hardcopy (books), fiche, and microfilm (film). Books are available only at the main library in Salt Lake City. Fiche and film may already be in your local FHC. If not, they may be ordered.

It should be noted that the LDS card catalog does not cross-reference by name other important sources of information such as county, state, or Federal texts.
